

Addendum to 4/05/10 APT Meeting

On April 18, 2010, Karla Crall, APT President, asked for a web vote.

On April 20, 2010, a web vote took place to re-allocate \$200 in funds originally specified for a 5th grade Family Fun Night to the 5th grade end-of-year activities. The re-allocation is to help cover the costs of the event and in particular offset costs for students who cannot afford the event fee.

Carla Monson made a motion; Carrie Regan seconded; and all APT executive board members responded with the motion passing.
