

Addendum to 3/01/10 APT Meeting

On March 26, 2010, Karla Crall, APT President, asked for a web vote.

On March 26, 2010, a web vote took place to approve a change in the use of funds previously allocated and approved for Mrs. Bhavnani to use for substitute teachers. The change would allow Mrs. Bhavnani to sub so staff can do their SIP planning, observe their colleagues in other classrooms, and plan for next year.

Carla Monson made a motion; George Redheffer seconded; and all APT executive board members responded with the motion passing.
